

CITES news - Prague

Czech Environmental Inspectorate

1.3.2008 – CEI inspectors checked an entomological market and meeting of insect collectors in Prague and seized 20 dead specimen of *Rosalia alpina* (protected species in CR) and 10 dead specimen of butterfly *Parnassius apollo* (protected species in CR, CITES A). The seller didn't have any documents about origin of these specimen. CEI assume that the specimen were illegally collect from the wild. The seller will be fined.
