

CITES news - Prague

Czech Environmental Inspectorate

January 2008 – CEI inspectors seized 7 tins of sturgeon caviar (113 g each one). These tins were sold in Palladium shopping mall in Prague without any labels and documents about legal origin. The seller of the caviar (company The Sushi Bar) refused to tell CEI any information about supplier or source of caviar. Caviar tins were same as known suspicious Astrakhan caviar from company Kasprzyba. The seller will be fined.
