

# CITES news - Prague airport

## Czech Environmental Inspectorate

10.8.2008 – Customs officers and CEI inspectors seized Siamese Crocodile (*Crocodylus siamensis*, CITES I/A) skull. Czech citizen, who travelled from Thailand to Czech republic, imported this specimen only with Thai export permit. No import permit has been issued at the time of inspection. Our MA will probably issue Czech import permit retrospectively but this importer will be fined.
