## Czech Environmental Inspectorate

30.10.2006 – during the regular control of shipments at the Ruzyně Airport in Praha, inspector of CEI found trophy of *Sarkidiornis melanotos* (CITES II/B) among 3 other bird trophies coming from Botswana. Owner of these trophies, Czech hunter, did not have export permit from Botswana, so the *S. melanotos* trophy was seized. This trophy returned to his owner in few days, because he had delivered CEI retrospectively issued export permit of Botswana. This hunter will be fined.
