Czech Environmental Inspectorate

18.11.2006 – during the control at the Reptile Market in Ostrava, inspectors of CEI seized 3 species of butterflies: 44 cocoons of *Saturnia pyri*, 180 eggs of *Catocala electa* and 61 pupas of *Celerio euphorbiae*. These butterflies are protected by Czech national law. They were offered for sale, but their owner did not have any exception to sell them legally. This seller will be fined.
